

DAILY REPORT OF WEEK-1 – (DAY-1 TO DAY-7)

Task Done:

This internship report is based on my 2 weeks experience at Celebal Technology pvt ltd, I have started my internship from 20th May 2023 to 20th July 2023. I gained a lot of knowledge during the two weeks of time, that includes the organizational, communication and a vast amount of Cloud computing and Networking basics Related Things. This report includes information about the tasks assigned to me.

In First week of an internship my company has organized one HR orientation session on 27th May 2023, which is on Microsoft teams. In that session They have discussed about whole guideline and Roadmap of 2 months internship Program and give us company overview

Learning Outcome:

I came to know about company and get connect with two-three employees and get familiar with schedule of entire internship and discuss main points and technology of Domain.

Week No:1

From: 22/05/23 To: 28/05/23

Project Title: Cloud Infrastructure and Security Domain

Counsellor: Nita Jadav

The screenshot displays a mobile application interface. At the top, the status bar shows the time 11:27, signal strength, and battery level at 76%. The main content area features a flowchart titled "Journey at CSI" with the CELEBAL logo in the top right corner. The flowchart consists of eight steps arranged in two rows, connected by a dashed line. The top row includes: 01 Onboarding, 03 Commencement of Tech. session, 05 Review Performance, and 07 Distribute Badges (According to the Performance). The bottom row includes: 02 Mentor-Mentee Mapping, 04 Task Assign, 06 Feedback, and 08 Completion Certificates. A red box labeled "PPO (To marvelous performers)" is positioned to the right of the flowchart. Below the flowchart, the name "Sharthak Acharjee (External)" is displayed with a three-dot menu icon. At the bottom, there is a video call interface with three participants: "20DCE01...", "Dhan...", and "Sharthak Ac...". The interface includes icons for video, microphone, Bluetooth, and a red call button.
